MEMORANDUM FOR 31 FW PERSONNEL

FROM: 31 LRS/CC

SUBJECT: Guidelines for Self-Procurement of Official Travel when the Travel Management Company (TMC) Cannot be Reached

1. Purpose: This memorandum establishes base-level guidelines for 31 FW personnel per Joint Travel Regulation (JTR) par. 020207-G. The AO must certify on an individual basis that the authority to self-procure transportation is authorized. The total transportation reimbursement must not exceed the policy constructed fare that meets mission requirements.
2. Travel categories that are eligible for self-procured travel when TMC cannot be reached are Emergency Leave, Early Return of Dependents, and short-notice Temporary Duty Assignments. Traffic Management Operations, Passenger Travel Section retains the right to evaluate each request case by case. Travelers must meet the criteria below:
 - a. Member has a government travel card
 - b. Travel begins in 12 hours or less
 - c. The current time is outside local TMC operating hours
 - d. Traveler contacts TMC and waits longer than 30 minutes
 - e. Traveler contacts Traffic Management Office (TMO) for further assistance
3. TMO will contact TMC to resolve the issue or provide the traveler a self-procurement memorandum.
4. Direct any questions to the Installation Transportation Officer, MSgt Kimberly Bedson, DSN 632-0440, or kimberly.bedson@us.af.mil.
