

Table 5-24. Dependent Allowances when Serving an IPCOT		
Tour Change		Dependent Allowances
		transportation allowances are authorized from the place where the dependent is located to the current PDS.
2	Accompanied to Unaccompanied	A dependent may remain at the current location or may be authorized to move to either a designated place in the CONUS or a non-foreign location OCONUS. If the move is to a non-foreign location OCONUS, one of the following is required: a. The Service member was a legal resident of that location before entering active duty. b. The Service member's spouse was a legal resident of that location at the time of marriage. c. The Service member was called to active duty from that location. d. The location is the Service member's HOR. e. Authorization or approval through the Secretarial Process.
3	Accompanied to Accompanied	A Service member who gains a dependent after the PCS order's effective date, but before beginning an IPCOT, is authorized dependent travel and transportation allowances from the place where the dependent is located to the current PDS if the dependent is command sponsored before travel to the current PDS.

050811. Consecutive Tours OCONUS for A Service Member with A Non-Command-Sponsored Dependent

A Service member ordered on a PCS between PDSs OCONUS, who has a non-command-sponsored dependent at or near the old PDS, is authorized dependent travel and transportation allowances if the Service member will serve an accompanied tour at the new PDS OCONUS. A Service member who was authorized dependent travel and transportation allowances when he or she was assigned to the old PDS OCONUS is authorized actual dependent travel performed, limited to the allowances from where the dependent was last moved at Government expense. A Service member who was not authorized dependent travel and transportation allowances when he or she was assigned to the old PDS OCONUS is limited to the travel and transportation allowances from the point of embarkation in the CONUS serving the old PDS to the new PDS.

050812. Consecutive Overseas Tour Leave

A. Eligibility

1. When a Service member is selected to serve a COT or an IPCOT, the Service member and his or her dependent may be eligible for COT leave. The Service member and the dependent must meet eligibility requirements to qualify for COT leave, and once qualified, may travel together, or may travel independently on separate trips. [Table 5-25](#) specifies the eligibility requirements. [DoDI 1315.18](#) (Military Personnel Assignments) contains requirements for COT leave, including the specific requirements for a COT when the Service member is assigned to Alaska or Hawaii.

Table 5-25. Eligibility for COT Leave		
1	Service Member	A Service member must be stationed OCONUS and ordered to one of the following: - An IPCOT. - A COT for the designated tour at the new PDS and one of the following applies: - One tour is unaccompanied. - Both tours are accompanied and the total time to be served at the PDSs is equal to or greater than the sum of the unaccompanied tour lengths for the PDSs.
2	Service Member's Dependent*	A dependent must meet all of the following criteria: - Be a dependent on the last day of the Service member's first tour at the old PDS OCONUS or is a dependent on the effective date of the PCS order to the new PDS OCONUS. - Be command-sponsored for both tours. - Be located at or in the vicinity of the Service member's old PDS OCONUS. If the dependent has been evacuated from the PDS, then the dependent must have been evacuated from the vicinity of the old PDS OCONUS. - Accompany the Service member during both tours.
*COT leave travel and transportation allowances are authorized for a command-sponsored dependent born during a COT leave deferral period.		

2. A Service member is in a travel status during direct travel between authorized locations. For other travel for personal convenience, other types of leave, and administrative absence, a Service member's travel status is limited to the constructed travel time that is equal to the time required for direct travel between authorized locations by available transportation. See [par. 050205](#) and [DoDI 1327.06](#) (Leave and Liberty).

B. Allowances. An eligible Service member for his or her travel, and on behalf of an eligible dependent, is authorized PCS travel and transportation allowances between authorized locations. Transportation and other reimbursable expenses between the Service member's PDS and the authorized air terminal may be reimbursed as local transportation in [Chapter 2](#). See [PDT computation example 6](#).

- City Pair Program airfares are authorized for use between the authorized locations.
- Travel between authorized locations is from:
 - the old PDS OCONUS to an authorized destination and return to the old PDS OCONUS, if the Service member is serving an IPCOT.
 - the old PDS OCONUS to an authorized destination, and then to the new PDS OCONUS.
 - the old PDS OCONUS to an authorized destination and returning to the old PDS OCONUS before going to the new PDS OCONUS *only* when the Service member or dependent drives a POV to the new PDS OCONUS.
 - the new PDS OCONUS to an authorized destination and return to the new PDS OCONUS when COT leave is deferred.
 - the old PDS to a designated place where a dependent is or was located if authorized or approved through the Secretarial Process.

f. the place where a Service member or dependent is located, if either is temporarily absent from the PDS and begins COT leave from the place away from the PDS, to the authorized destination, and return to the appropriate location (either the old PDS or the new PDS). Travel and transportation is limited to the cost from the old PDS OCONUS to the authorized destination, and then to the new PDS OCONUS.

3. If the Service authorizes or approves the Service member to use a POV for COT leave transportation, a monetary allowance in lieu of transportation (MALT) plus flat per diem (MALT Plus) for a PCS is authorized. If the Service does not authorize the use of a POV for COT leave transportation, and the Service member or dependent uses a POV anyway, then the reimbursement is limited to the policy-constructed airfare.

C. Authorized Destination. The authorized destination is the Service member's HOR. Transportation to any other location is limited to the cost had the Service member or dependent traveled to the HOR.

1. If transportation to a selected alternate location is more expensive than transportation to the HOR, the Service member is financially responsible for the additional cost unless transportation to the more expensive alternate location is authorized or approved through the Secretarial Process.

2. If the Service member or dependent travels to a more expensive alternate location, and that location has not been authorized or approved through the Secretarial Process, then City Pair Program airfares cannot be used for transportation to or from the more expensive alternate location.

D. Scheduling COT Leave Travel

1. Schedule to take COT leave between the tours OCONUS and in connection with PCS travel, if any.

2. When the Service member's HOR is in the CONUS, COT leave travel may be deferred until after PCS travel is completed only if the deferred travel is authorized or approved in Service regulations.

3. When the Service member's HOR is OCONUS, he or she may elect to defer COT leave travel until after the PCS is completed.

4. When COT leave travel is allowed to be deferred it must be completed before the tour at the new PDS ends, unless the reason travel is deferred is due to duty in a contingency operation. If a dependent takes deferred COT leave, that dependent must have been located in the vicinity of the Service member's old PDS OCONUS while the Service member was at that old PDS. If the COT leave is not taken before the end of the tour, the authority for COT leave expires.

5. When COT leave is deferred due to duty in a contingency operation, the COT leave must occur within 1 year after the contingency operation duty ends.

a. The Service member is authorized COT leave from the new PDS OCONUS to an authorized location. The cost from the new PDS and return is limited to what it would have cost to travel to the HOR from the PDS from which deferred travel could not be taken and return.

b. The Service member cannot combine COT leave with any other leave or travel allowance while on the contingency operation unless the combination is in accordance with Service

regulations or unless the Service member specifically requests, and is authorized by the Secretary concerned, to take the deferred COT leave with another leave or travel allowance.

E. Limitations

1. A Service member on a 12-month unaccompanied tour to a FEML location who extends for a consecutive second 12-month tour is eligible for only one funded-leave transportation program. The Service member may take COT leave or FEML, but not both.
2. COT leave must not be used as dependent student travel. That means the student cannot travel from the CONUS to the PDS OCONUS and then return to the CONUS using COT leave allowances.
3. The Service member or dependent cannot use a cruise or tour package for COT leave.
4. COT leave travel and transportation is not authorized if a Service member chooses 15 days of leave and transportation under the SR&R leave program, or either cash or 30 days of leave without funded transportation under the SR&R leave program.

050813. Dependent Travel and Transportation Due to a Service Member's Tour Extension

A Service member who is on a tour that is less than the specified tour length at a PDS, and whose tour length is extended due to unusual circumstances and the needs of the Service, may be eligible for dependent travel and transportation allowances. The Service member is authorized dependent travel and transportation allowances only when he or she did not move a dependent to that PDS initially due to the anticipated short time on that assignment. The allowance is from the place where the dependent is located to the current PDS, limited to the cost from the old PDS to the current PDS.

050814. Dependent-Restricted Tour

A. Eligibility. A Service member may receive dependent travel and transportation allowances when he or she is reassigned by a PCS order on a dependent-restricted tour.

B. Allowances. A Service member may leave the dependent at the current location or move the dependent from the old PDS, HOR, or PLEAD if it is the Service member's first PCS on active duty, to a designated place in:

1. The CONUS.
2. A non-foreign area OCONUS. For a move to a non-foreign area OCONUS, one of the following is required:
 - a. The Service member was a legal resident of that area before entering on active duty.
 - b. The Service member's spouse was a legal resident of that area at the time of marriage.
 - c. The Service member was called to active duty from that area.
 - d. It is the Service member's HOR.
