

040102. Allowances if Isolation or Quarantine is Required When Returning from Government-Funded Leave Travel

If a public health official, medical official, or authorizing/order-issuing official orders a Service member to isolate or quarantine before proceeding to the PDS, then the Service member may be issued TDY orders and is authorized standard travel and transportation allowances in accordance with Chapter 2. If lodging in-kind or meals in-kind are provided, then per diem is not payable.

0402 EMERGENCY LEAVE FOR SERVICE MEMBERS

040201. Transportation in Personal Emergencies

A. Eligibility. Criteria for a Service member or dependent to receive emergency leave transportation appear in [Table 4-3](#). The personal emergency must be evaluated in accordance with [DoDI 1327.06](#) (Leave and Liberty). Cadets and midshipmen are not eligible for emergency leave transportation.

1. A Service member's domicile is relevant to personal emergency transportation if the Service member is stationed in the continental United States (CONUS). A "domicile" is a Service member's home of record, place from which entered (or called) to active duty, place of first enlistment, or permanent legal residence.

2. For an eligible dependent, personal emergencies are circumstances similar to those for which a Service member receives emergency leave travel. For escort of remains of a deceased Service member, see [par. 032001](#).

Table 4-3. Eligible Traveler for Personal Emergency Leave		
Traveler		Eligibility Criteria
1	Service Member	a. On permanent duty outside the continental United States (OCONUS). b. Assigned to a ship or unit operation OCONUS. c. Has a domicile OCONUS and is on permanent duty or initial training in the CONUS, ordered to active duty with the PDS not designated in the order, or is a Service academy graduate and emergency leave location is OCONUS.
2	Dependent	a. Is command-sponsored and residing OCONUS with the Service member. b. Authorized to reside at a location OCONUS and for whom the Service member receives a station allowance while on permanent duty OCONUS. c. A dependent residing in the CONUS with an emergency leave location OCONUS is eligible for travel allowances only if the Service member is on permanent duty OCONUS or has a domicile OCONUS. A dependent's domicile is irrelevant.

B. Allowances. An eligible Service member or dependent is authorized transportation from locations in [Table 4-4](#). This applies to a Service member traveling alone or with one or more dependents and one or more dependents traveling without the Service member. A different destination may be approved through the Secretarial Process. Return transportation from the destination to the originating location or PDS is authorized if transportation to the destination was under [section 0402](#). Additionally, travel across the CONUS is at Government expense if the CONUS must be crossed to get to the emergency leave location OCONUS. See [section 0401](#) for transportation and reimbursable expenses.

C. Authorized Locations. Origins and destinations that are authorized for an eligible Service

member or dependent on emergency leave travel appear in [Table 4-4](#).

Table 4-4. Authorized Origins and Destinations for Emergency Leave Travel		
Authorized Origins		Authorized Destinations
Eligible Service Member or Dependent in the CONUS		
1	International airport nearest the Service member's PDS.	An international airport in a non-foreign area OCONUS, or any other location OCONUS, as determined by the Secretarial Process.
2	International airport nearest the dependent's location when notified of the personal emergency.	
Eligible Service Member or Dependent OCONUS		
3	a. A Service member's PDS. b. The dependent's authorized location OCONUS. c. The Service member's or dependent's location when notified of the personal emergency, if the location is OCONUS.	a. The international airport in the CONUS closest* to the location from which the Service member or dependent departed and to which air transportation is available along a normally traveled international route. This is the only criterion for the cost limit to be used for transportation to another airport. b. Any airport in the CONUS that is closer to the Service member's or dependent's destination if the transportation cost is less than the transportation cost to the international airport closest* to the location from which he or she departed and to which air transportation is available along a normally traveled international route. c. An airport in a non-foreign area OCONUS. d. Any foreign location OCONUS, as determined through the Secretarial Process.
*The closest port of entry in the CONUS is the standard of measure for determining the cost limitation (37 U.S.C. §481d).		
See emergency leave computation example 1 , emergency leave computation example 2 , emergency leave computation example 3 , and emergency leave computation example 4 .		

Note: No authority exists for one-way emergency leave transportation from the CONUS back to a PDS OCONUS if a Service member or dependent is on personal leave in the CONUS when the emergency occurs. Nor does authority exist for one-way emergency leave transportation from OCONUS back to the CONUS PDS if the Service member or dependent is on personal leave OCONUS when the emergency occurs.

0403 EMERGENCY VISITATION TRAVEL (EVT)

The reasons for EVT are divided into six categories with varying allowances, requirements, and limitations and are detailed in the subsequent paragraphs.

040301. Travel in Response to a Medical Emergency, Eldercare, Death, Unusual Personal Hardship, or New Child

EVT is not discretionary for travel under this paragraph once the approval authority confirms the need.

0334 PERSONAL EMERGENCIES WHILE ON TDY AWAY FROM THE PDS

See [DoDI 1327.06](#) (Leave and Liberty) and Service regulations for specifics on situations that warrant emergency leave. For emergency leave travel associated with medical situations, see [Chapter 4](#).

033401. Service Member Personal Emergency Travel While on TDY

A. Eligibility. A Service member who is on TDY, or assigned to a ship operating away from the home port, and experiences a personal emergency is authorized for travel and transportation allowances.

B. Allowances. The standard travel and transportation allowances in [Chapter 2](#) are authorized for an eligible Service member to travel round trip from the TDY location, or location of a ship operating away from the home port, to the PDS or home port.

1. When emergency travel to a location other than the PDS or home port is authorized, then the standard travel and transportation allowances in [Chapter 2](#) are reimbursed. When round-trip travel occurs, the reimbursement is limited to the costs between the TDY location, or ship operating away from home port location, and the PDS or home port, and return.

a. If it is unnecessary to return to the TDY location, or to the ship operating away from the home port, when the personal emergency is finished, then the Service member is authorized limited return travel and transportation directly to the PDS or home port.

b. If a Service member returns from the emergency leave location to the PDS instead of to the TDY location, then the reimbursement is limited. The total cost of travel from the TDY location to the emergency leave location and from the emergency leave location to the PDS is limited to the cost had the Service member traveled directly from the TDY location, or ship operating away from the home port, to the PDS or home port.

2. Space-required Government transportation must be used if reasonably available. A Service member who does not use available Government transportation is not reimbursed for transportation costs.

3. If space-required Government transportation is not reasonably available, then contracted City Pair Program airfares may be used. If travel to the emergency leave location is more expensive than travel to the PDS or home port, then City Pair Program airfares are not authorized.

4. Authority does not exist for one-way travel and transportation to a ship's new location if the Service member departed on emergency leave while the ship was in its home port.

5. Per diem is not authorized while the Service member is at the emergency leave location or any time his or her travel status is classified as leave or an administrative absence.

033402. Civilian Employee Personal Emergency Travel While on TDY

If a civilian employee interrupts his or her TDY because of an incapacitating illness or injury, see [par. 033002](#).

A. Eligibility. Civilian employees who are on TDY away from the PDS or home port and must discontinue or interrupt the mission before completion because of a personal emergency may be eligible for travel and transportation allowances.

B. Allowances. The DoD Component may authorize or approve the standard travel and transportation allowances in [Chapter 2](#) based on the civilian employee's personal situation and the Service's or Component's mission. This authority may be delegated, but must be held to the highest administrative level practical to ensure adequate consideration and review of the circumstances surrounding the need for the emergency travel.

1. From TDY Location to Home or PDS. If a civilian employee discontinues his or her TDY and returns home or to the PDS, then transportation expenses and en route per diem may be authorized or approved from the interruption point to the PDS. The unused portion of the Government-funded transportation for the TDY must be used, if possible. City Pair Program airfares may be used. A new TDY order must be issued if the civilian employee returns to the TDY location after the personal emergency is resolved.

2. From TDY Location to Alternate Destination and Return to the TDY Location. A civilian employee who discontinues his or her TDY and takes leave for travel to an emergency leave location (other than the PDS or from the point at which the civilian employee was notified of the emergency) and then returns to the TDY location, may be authorized or approved certain excess travel costs.

a. The excess travel costs allowed are the excess actual travel costs from the point at which the civilian employee was notified of the emergency, to the emergency leave location, and return to the TDY assignment that exceeds the constructed cost of round-trip travel between the PDS and the emergency leave location. See [Table 3-17](#) for rules on calculating the excess transportation costs.

b. City Pair Program airfares cannot be used for travel to an emergency leave location and return to the TDY location.

c. If a civilian employee does not have sufficient personal funds to pay for transportation to an emergency leave location and the return trip to the TDY location, then the DoD Component may provide transportation for the civilian employee, or provide an advance of funds to enable the transportation purchase. The civilian employee must reimburse the Government for any Government-funded transportation cost or travel advance over the authorized or approved allowance.

0335 SERVICE MEMBER ON A TDY AFTER EVACUATION

033501. Lodging Expenses for a Service Member on Leave during an Authorized or Ordered Evacuation

A. Eligibility. A Service member who is on a TDY and takes leave to travel at personal expense to the safe haven where the dependent is evacuated, may be eligible for a lodging allowance if the Service member meets all of the following criteria:

1. Has an order to the TDY location for 31 or more days.
2. Receive per diem while at the TDY location to cover TDY lodging expenses because Government quarters are not available at no cost to the Service member.
