

CHAPTER 3: TDY TRAVEL

PART E: LEAVE IN CONJUNCTION WITH TDY

0333 LEAVE AND TDY

Personnel directives dictate when and how leave is charged for time spent on personal business if it is not justified as official travel in accordance with the JTR. A Service member is not in a travel status while on an administrative absence. A civilian employee is not in a travel status while on an excused absence or administrative leave. See [DoDI 1400.25, Vol. 630](#) (civilian employee leave).

033301. Leave or Personal Travel Combined with Official Travel

A. Eligibility. The AO may permit a Service member or civilian employee to combine leave or personal travel with official travel at no additional cost to the Government provided that:

1. City Pair Program airfare, and other contracted travel rates, are limited to official Government business and not authorized for personal travel.
2. The official transportation is arranged through the Defense Travel Management Office-contracted Travel Management Company.
3. The traveler arranges personal travel at personal expense.
4. The AO does not permit a TDY trip that is an excuse for personal travel.

B. Allowances. [Table 3-20](#) provides the travel and transportation allowances available for various combinations of leave and official travel.

1. Reimbursement is authorized for the actual cost of the transportation used and en route per diem, limited to what the Government's cost would have been between the official duty locations using a Policy Constructed Airfare (YCA vice CA) had there been no personal travel taken.
2. Economy or coach accommodations must be used unless other accommodations are approved in [Chapter 2](#).
3. If a travel authorization identifies any location as personal or leave travel, then the authorization must state that any excess costs over the costs for official travel are the traveler's financial responsibility.

Table 3-20. Situations Involving Leave and Official Travel		
If...		Then the traveler...
1	the TDY trip is known before going on leave,	a. is reimbursed per diem while at the TDY location. Actual travel expenses to and from the TDY location are authorized, but limited to the constructed round-trip cost between the PDS and TDY location. b. cannot use City Pair Program airfares for transportation to or from the leave location.

Table 3-20. Situations Involving Leave and Official Travel		
	If...	Then the traveler...
2	the traveler is absent from the PDS for personal reasons and has to return to the PDS for official reasons before the originally intended return,	is not authorized reimbursement for expenses incurred for the return travel.*
3	a traveler is on leave away from the PDS and receives an order to perform TDY at the leave location,	is authorized per diem for the TDY performed according to the travel authorization. Reimbursement for transportation expenses is also authorized for the return trip, but limited to the transportation costs that exceed what the traveler would have incurred if no TDY were required (31 Comp. Gen. 509 (1952)).
4	a traveler is on leave away from the PDS and the leave is interrupted to perform TDY at various places, with or without a return to the PDS, and the traveler is allowed to resume leave upon TDY completion,	is authorized the following: a. Per diem and transportation expenses from the place at which leave was interrupted to the TDY locations. b. Per diem while at the TDY locations, but no per diem while at the PDS. c. Per diem and transportation to return to the place at which the leave was interrupted (25 Comp. Gen. 347 (1945); 28 Comp. Gen. 237 (1948); 39 Comp. Gen. 611 (1960)).
5	a traveler is on leave and the leave is interrupted to perform TDY (including TDY at various places) but not including a return to the PDS, and the traveler is allowed to resume leave upon TDY completion,	is authorized the following: a. Per diem and transportation from the place where leave was interrupted to the TDY locations. b. Per diem while at the TDY locations. c. Per diem and transportation expenses to return to a leave location, which can be different than where leave was interrupted. A traveler is allowed per diem and transportation expenses to resume leave at a point more distant from the TDY location than the point at which leave was interrupted, provided the round trip distance and expense are not greater than the distances and constructed travel expense between the traveler's PDS and the TDY location (27 Comp. Gen. 648 (1948)).
6	a traveler's leave is interrupted for TDY, and the traveler is required to return to the PDS and not allowed to resume leave at the end of the TDY,	is authorized the following: a. Per diem and transportation from the leave location to the TDY location. b. Per diem while at the TDY location. c. Return travel from the TDY location to the PDS. These allowances are limited to the excess cost over the constructed per diem and transportation expense for return directly from the leave location to the PDS.
7	a traveler is on leave away from the PDS, and receives orders to go to a TDY location immediately upon completion of leave, and return to the PDS upon completion of the TDY,	is authorized the following: a. Per diem and transportation expenses from the leave location to the TDY location. b. Per diem while at the TDY location. c. Per diem and transportation from the TDY location to the PDS.

Table 3-20. Situations Involving Leave and Official Travel	
If...	Then the traveler...
	These allowances are limited to the excess of the constructed cost from the leave location directly to the PDS (19 Comp. Gen. 977 (1940)).
8 a traveler is on leave away from the PDS, receives orders to go to a TDY location immediately upon completion of leave, and return to the PDS upon completion of the TDY, and the traveler must go through the PDS to get to the TDY location,	is authorized per diem and transportation expenses, limited to the cost of round-trip travel and transportation between the PDS and the TDY location (24 Comp. Gen. 443 (1944)).
9 a Service member is recalled from leave to return to the PDS for operational reasons because of an actual contingency or emergency war operation, or because of an urgent and unforeseen circumstance when a substantial portion of the scheduled leave period has been eliminated by the recall or the leave purpose has been defeated (60 Comp. Gen. 648 (1981)),**	is authorized the standard travel and transportation allowances in Chapter 2 beginning on the day of departure from the leave location, or place where the order canceling the leave was received, to the PDS and, if authorized to resume leave, standard travel and transportation allowances from the PDS to a leave location no farther from the duty station than the place at which the order canceling the leave was received. Per diem is not authorized at the PDS.
*Per diem and transportation expenses from the leave location to the PDS may be authorized when the Service member or civilian employee is recalled from leave due to an unforeseen official need. The travel authorization must state or indicate that the personal expense incurred in traveling to the leave location makes it unreasonable to require the Service member or civilian employee to bear the additional travel expense to comply with the recall or TDY order (39 Comp. Gen. 611 (1960)). **A Service member recalled from leave for disciplinary action is not authorized standard travel and transportation allowances under this provision, and is responsible for the costs to return to the PDS.	

C. Effect of Leave or Administrative Absence on Per Diem

1. Service Member. Per diem is not authorized for any day a Service member is not in a travel status or on any day classified as leave or an administrative absence ([DoDI 1327.06](#) (Leave and Liberty)).

Note: For long-term TDY, see also [par. 032902](#) and [par. 033501](#).

2. Civilian Employee

a. A civilian employee is authorized per diem for a day when leave is taken for only part of the workday. Per diem is not authorized when leave is taken for the entire workday.

b. A civilian employee may be authorized per diem for leave for up to two non-workdays if leave is taken for all workdays between non-workdays.

c. A civilian employee is not authorized per diem for leave on non-workdays when:

(1) Leave is taken for the whole workday before, and the whole workday following, the non-workday.

(2) The civilian employee returns to the PDS or residence.

d. When a civilian employee is authorized to depart the PDS on a work day to perform authorized TDY the following work day with non-work days in between for personal reasons, per diem is authorized only for the time allowed in the constructed cost of the trip between leaving the PDS and arriving at the TDY point.

e. When a civilian employee chooses not to return to the PDS immediately upon completion of the TDY for personal reasons, per diem is authorized only for the time allowed in the constructed cost of the trip between leaving the TDY point and arriving at the PDS.

(1) When constructing the costs of returning to the PDS, if the trip is short or travel is authorized on carriers with sleeping accommodations, then the departure day used to construct the travel costs is the same day that the TDY is completed.

(2) When sleeping accommodations are not available on the authorized transportation mode, the departure date used to construct the travel costs is the morning of the day after TDY is completed.

f. When on leave at a dependent safe haven location, see [Chapter 6](#).

g. See [non-workday computation example 1](#), [non-workday computation example 2](#), and [non-workday computation example 3](#).

033302. Leave Taken while on a TDY with Long-Term Lodging

When a traveler rents or leases lodging on a weekly, monthly, or long-term basis, the daily TDY lodging cost is computed by dividing the total periodic lodging cost by the number of days the traveler is authorized the lodging portion of the locality per diem rate ([62 Comp. Gen. 63 \(1982\)](#)). This computation presumes that the traveler acts prudently in renting by the week or month, and that the Government does not exceed the cost of renting conventional lodging at a daily rate. See [long-term TDY computation example 4](#).

033303. Ship Relocated During Authorized Absence

A. Eligibility. A Service member assigned to a ship who is on leave or liberty when the ship relocates may be eligible for travel allowances if he or she was not notified of the ship's relocation before departing on leave. A Service member who was on emergency leave when the ship moved follows the policy in [Chapter 4](#).

B. Allowances. A Service member may receive travel and transportation allowances to pay for the additional costs of returning to the ship at its new location, limited to the cost of transportation from the ship's old location to the new location.

1. Transportation in-kind is authorized for transoceanic travel.

2. Government-procured transportation is authorized, but the Service member is financially responsible for all costs above the limit. City Pair Program fares are not authorized when the Service member's transportation cost is higher than the limit.
