

- **NEW** port call process for **PCS/RET/SEP only**: use this link (CAC enabled) to submit your travel request and orders:
 - https://usaf.dps.mil/teams/13569/TrafficMGT/PassengerTravelAccessPoint/Site_Pages/Home.aspx
- This automated system allows for 100% transparency and oversight of your current travel request status.
- You **MUST** monitor your request often for changes in status or return for action.
- PCS/RET/SEP travel requests **will no longer** be accepted via email or walk-in services.
